Helping schools identify and manage risk

Over 250 independent schools and colleges and associated educational bodies nationally have appointed WTW as their risk advisor and insurance broker. With over 40 years of experience, we have an in-depth understanding of your unique needs.

Our risk management program, including a “self-audit” risk analysis ‘Risk Scorecard’, can complement your insurance program and benefit your school.

## Insurance Broking Solutions

We monitor issues pertinent to independent schools and work closely with the insurance marketplace to develop customised insurance products.

Our range of comprehensive insurance products have been designed with enhancements that meet your special needs, including people and property protection and liability exposures.

## Who are we?

We are WTW’s national education practice, employing dedicated specialist staff in each of our offices throughout Australia, with experience in risk management and insurance for independent schools.

## A snapshot of our value-add services

- 
- ▶ A specialist risk management program, including property, liability, occupational health and safety and security advice, has assisted many schools control and reduce the incidence of loss
  - ▶ Reputation management guidance and assistance
  - ▶ Risk inspections of campuses
  - ▶ Claims settlement and analysis
  - ▶ Employee benefits, e.g. salary continuance, and superannuation advice
