

IMI Plus

Redefining investment management insurance

Discover IMI **Plus** — Now featuring affirmed cyber (including incident response and business interruption), senior manager “lifeboat” protection and employment practices liability (EPL) (corporate and individual) coverages.

IMI **Plus** offers a unified, streamlined insurance solution that is designed to meet the modern needs of all asset manager types, including wealth managers, hedge funds, private equity firms and real estate strategies.

Solution enhancements

Cyber coverage

Comprehensive cyber protection safeguards your business against digital threats and data breaches, as well as business interruption coverage to replace lost management fees resulting from a cyber event.

Employment practices liability

Enhanced EPL coverage protects against claims from employment-related issues, a must in today’s litigious environment.

Senior manager “lifeboat”

Additional protection for senior board members when the policy limit has been exhausted.

Multi-year policy

Option for a two-year policy duration.

Rewarding strong operational risk management

We have leveraged the operational due diligence expertise of WTW’s investment division who will deliver an independent operational assessment that, once successfully completed, enables clients to receive preferred pricing under IMI **Plus**.

Key features

Unified coverage

IMI **Plus** integrates cyber, EPL, D&O, crime, and professional indemnity into one seamless policy, enhancing coverage coherence and simplifying management.

Operational efficiency

Streamline your insurance processes with one comprehensive policy instead of juggling multiple agreements and renewal dates.

Tailored solutions

Customizable to fit your unique needs, offering both complete packages and modular options for targeted coverage.

Expert claims advocacy

Supported by WTW's Global Claims Advocacy Team to assist you swiftly and efficiently in the event of a claim.

Why choose IMI Plus?

IMI **Plus** combines essential coverages for investment managers under one streamlined policy, ensuring thorough and unified risk management without the administrative burden.
